

Furman University Jazz Ensemble

2017-2018 Academic Year Syllabus

This syllabus will remain in effect for the entire academic year.

- Director:** Matt Olson
Office: McAllister Auditorium 207
Cell Phone: 864-363-1962
Email: Matt.Olson@furman.edu
- Rehearsals:** All in Daniel Music Building Room 13.
Monday 2:30-3:20 PM
Thursday 2:30-3:20 PM
Friday 2:30-3:20 PM
- Registration:** You **MUST** be registered for Jazz Ensemble (MUS-067) for zero credit to be a member of the ensemble. Please add this course for the fall and be sure to register for it in the spring.
- Sectionals:** One hour per week. I will want to know when these are going to be taking place so I can stop in if I'd like. **Please make these happen!!!**
- Performances:** See next page for performance and dress rehearsal schedule and **PUT THE DATES IN YOUR CALENDAR NOW!!!**

Attendance at all rehearsals and performances is assumed and expected. Substitutes will be allowed for rehearsals **only** in extreme circumstances, with **at least** 24 hours notice to me. You are allotted one unexcused absence per term, which applies **only** to rehearsals. Any additional unexcused absence from a rehearsal or **any** unexcused performance absence will result in a grade of "U" for the term.

Being on time for all rehearsals, sectionals, and performances is also expected. Given our relatively brief rehearsal time, we all need to make an extra effort to be on time. I will always try to let you out on time, but that can only occur if we start on time.

Bringing your music and equipment is equally important. By equipment, I am referring to mutes, doubles (flute, clarinet, soprano saxophone, etc.), percussion, patch cords, etc. If we need something special for a rehearsal, I will do my best to notify you in advance.

Please take good care of our equipment!!! This includes drums, drum hardware, cymbals, amplifiers, extension cords, power strips, mutes, mouthpieces, flugelhorn and other school-owned instruments.

Grading will be based on your level of preparation, level of performance in rehearsals and concerts, attendance (rehearsals, sectionals, performances), and your general level of professionalism.
