

Spring 2022 Residence Hall Closing Instructions

The following procedures must be followed before you leave at the end of this semester. Any questions should be directed to Housing and Residence Life at HousingandResidenceLife@furman.edu

All students should check out of their rooms **within 24 hours after their last exam**. Residence Halls officially close on **Tuesday, May 3, 2022 at 5pm**. Those with exams on May 3rd still need to check out no later than 5:00 PM.

All residents must check out of their rooms unless you are graduating, assisting with graduation (singers, marshals, ushers, etc.), working for the University, or staying for May X **and** have confirmation of approval to stay from the Housing and Residence Life Office.

Proper check out involves a visit to the Judson RA Office, where you will return your keys and return to your room with an RA for a final inspection of your living space.

- ➡ Failure to follow these instructions and check out properly will lead to a minimum assessment of \$75.
- ➡ Failure to adhere to the above deadlines (24 hours after your last exam) may result in late fees up to \$300, in addition to fines for damages.

When can you check out?

Check outs can only occur during the following days and times, unless otherwise arranged with the RA for your hall:

- **Monday, April 25th – Monday, May 2nd**
8:30 a.m. – 8:30 p.m.
- **Tuesday, May 3rd**
8:30 a.m. - 5:00 p.m.
(All residents must be moved out)
- **Place your key in the black box near the Judson RA office in an envelope after office hours** (still must be checked out within 24 hours of last exam and 5pm on May 3rd)

How do you check out?

1. Clean the room thoroughly. Remove all personal belongings, furniture and trash from your room, suite, and surrounding grounds. Be sure to remove all of your belongings from the hallway as well.
2. Lock your room and take your key to the RA Office. The RA will accompany you back to your room. The RA will inspect your room and discuss any damages that may have occurred during the year and who is responsible for them. The RA will then complete you sign out online.

It is in your best interest to plan accordingly and plan to arrive at least 30 minutes before we close the office each day. We anticipate long lines, so thank you in advance for your patience during this busy time of the year for us!

IMPORTANT INFORMATION IS ON THE BACK OF THIS SHEET

Start moving early – it always takes more time than you think!

ALL rooms and suites must be clean and empty at the time you check out. For your room and/or suite to be considered clean, each of the following tasks must be completed:

- Remove all personally owned furnishings and belongings from your room. Housing and Residence Life is not responsible for items left behind and the University reserves the right to dispose of items without further notice. Residents will also be charged for the removal of any property left behind.
- Remove all trash and garbage from your room and transport it to the appropriate dumpster. Do not take the recycling bin provided by the University or you will be assessed for its cost.
- Remove any adhesive products from any surfaces within the space. Be sure to also examine and remove such residue from the door, windows and bathroom areas.
- Clean your entire room and suite thoroughly! This includes microfridges (inside and out), cabinets, drawers, microwave, etc.
- Sinks and showers must be washed and clean of all soap scum buildup. (Tilex soap scum remover or similar products are suggested. Do not use abrasive cleansers on acrylic surfaces.)
- All temporary fixtures must be removed (i.e. extra mirrors, shelf lining, T-pins or other picture holders, etc.).
- All walls, ceilings, trim, mini-blinds and furnishings should be free of dust and dirt.
- All carpeted areas should be vacuumed and stain-free. All tile floors should be swept and mopped.
- Windows and doors must be closed and locked. Safety is especially important this time of year, so please do your best to protect yourself and your fellow students.
- Turn in your key and complete room inspection with RA.

Failure to comply with the above guidelines will result in assessments for residents, either individually or collectively, as applicable.

Furthermore, each resident of the room/suite is responsible for the condition of the room upon its vacancy. Therefore, the first resident who checks out is **NOT** absolved of responsibility in the event their room is not left in proper condition when the other residents/roommates leaves. Please communicate with roommate(s) ahead of time to avoid confusion over expectations.
