Campaign Regulations

(Updated September 2024)

Campaign Reminders and Regulations:

Candidates must upload a recorded speech with their candidacy form. All candidate speeches will be available on their class portal on syncDIN or the SGA portal, in the case of executive elections. Speeches are to be uploaded to YouTube, Google Drive, or Box and should follow these guidelines:

- Must be 1-3 minutes in length
- Recording should be of the candidate in front of the camera delivering a speech with no added effects or embellishments
- Recording must be accessible via link provided

Candidates may only begin campaigning after speeches have been posted publicly.

Candidates may not run as a ticket, but candidates may campaign as a group and/or endorse fellow candidates. Candidates may campaign using social networking websites, such as Facebook, Instagram, or TikTok.

Candidates or their supporters may campaign via email and group forums. However, no email with over 200 recipients is permitted. Candidates and their supporters are allowed to create groups and invite others to join them.

Candidates may not engage in any type of malicious or offensive

campaigning. Voter intimidation is prohibited.

- Candidates cannot directly observe an individual at the time of voting.
- Candidates cannot supply a platform (i.e. a technological device) for voting.
- If any voter intimidation not directly listed above is observed, it can be reported to the Elections Chair and he/she will address the situation at their discretion.

Candidates will be held responsible for campaign infractions by their supporters (i.e. hanging flyers in unapproved locations, malicious campaigning, etc.).

The Elections Chair reserves the right to stop candidates from campaigning in any manner found to be inappropriate as decided by the Elections Chair.

During the campaign, candidates should report any behavior by other candidates deemed inappropriate to the Elections Chair.

Spending Guidelines and Limits:

Class representative candidates may spend up to \$50.00 on their campaign.

Executive officer candidates may spend up to \$75.00 on their campaign, with an additional \$25.00 allowed if there is a primary race.

SGA will reimburse candidates for the cost of their campaigns. Candidates must turn in original receipts to be reimbursed. All receipts must be turned over to the Elections Chair within three days of the election. Any money spent on electronic advertisements, on sites such as Facebook or Instagram, also counts towards the maximum.

Cash donations from friends and others will also be allowed, as long as receipts are included in the total.

Sign/Poster Restrictions:

All campaign signs/posters or similar must follow the [University's Posting and Solicitation policy](#).

Sign/posters are subject to the size, location, and approval requirements of each University facility in which they are placed.

- All signs posted in residence halls, apartments, and designated areas must be approved by the Housing and Residence Life office, located in North Village J.
- All signs in the Trone Student Center must be given to the information desk for approval and posting.
- No more than one sign/poster per bulletin board.
- No signs should be posted/taped on walls, building exteriors, doors or lawns – bulletin boards and poster strips only.

Chalking is allowed, under the following guidelines:

- No chalking in areas that will not be exposed to rain (such as under breezeways or on porches)
- No chalking on the sides of any buildings

After the primary election results are made known, one vertical banner for each final candidate is allowed in the Dining Hall. No other signs are allowed in the Dining Hall.

Signs and other campaign materials must be removed by 5:00 p.m. the day following the election.

All campaign matters and violations will be handled at the discretion of the Elections Chair, in consultation with the Associate Dean for Student Involvement and Engagement. Candidates can be removed from the ballot as a result of campaign infractions. All candidates are subject to these regulations.

Students who have any questions or who need clarification on these rules are encouraged to direct their concerns to Morgan Chapman, Student Government Association Elections Chair, at chapmo5@furman.edu.
