

**Furman University UKirk Campus Ministry
Statement of Purpose and Constitution
August 2020**

We affirm the long tradition of Presbyterian support of higher education as important in the development of persons;

We affirm that in South Carolina, Furman University is a significant component in fulfilling this significant mission;

We affirm that the ministry to the students of Furman University is a concern to the General Assembly of the PCUSA, the Synod of the South Atlantic, Foothills Presbytery, and local congregations;

We affirm that we have a special calling to fulfill the baptismal vows of support and nurture for college students when they are away from their home congregations;

Therefore, Foothills Presbytery with the support of First (Greer), Fountain Inn, Fourth, John Knox, St. Andrews, St. Giles, Trinity, and Westminster Presbyterian Churches of Greenville County has organized the Furman PCUSA Campus Ministry Support Team and its ministry shall be called UKirk Furman. Ideally, the support team will be made up of one or two people from each church: one lay person and one staff person serving three-year terms. If other churches should also contribute financial support they will be added to this list and entitled to two representatives.
