SGA Financial Overview

- The source of all SGA funds is the student activity fee paid every semester.
- That fee is divided amongst: SGA(36%), FUSAB (32%), Student Diversity Council (8%), Religious Life Council (9%), Club Sports Council(11%), Campus Recreation (2%) and Residence Life (2%).
- **Those %s are for 24-25**; the %s amongst the 3 councils can change based on how many organizations they have active, *but council total stays at 28%*.
- In addition to providing funding to many student organizations, SGA pays for the monthly shuttle service, Safe Ride, SyncDIN subscription and provides each class a budget.

How to use your Class Budget

- Class representatives go through the same approval process as student organizations.
- To use your class budget, please fill out the appropriate SyncDIN form.
- Forms are based on the type of payment you are making. (credit card, check, student reimbursement, etc); next slide shows all forms that are available.
- Submitted forms will then go to Andrew and the Finance Committee for approval.
- Once approved, you will get a notification from SyncDIN and then you can make your purchase.
