- **Change in class election schedule:**

March 24: Candidate forms due

March 25: Campaigning begins

April 4-5: Class Rep elections (later in the week to give everyone time to get back/catch up from spring recess)

Will still have standard council next week but will find a good time to have a small meet the candidates event to promote voter turn out.

- **Furman Forward Accepted Student Event: March 22 and April 19**
- **Reminder to be notifying Carly if you need to be absent from council and PLEASE be filling out your slides and working on your goals. Exec reviewed everyone's attendance and progress, and for the most part it looked good!**
- **Class emails NEED to be consistent and timely. How are we feeling about them?**
