We represented SGA at the Bell Tower Ball this Saturday! It was so much fun :)

Talked with JBerk about throwing an event for this senior class in consideration of what we missed out during 2020 (prom, graduation, convocation, etc.) → might need extra funding depending on how big it is

Senior Send Off (LDOC) responsibilities? We were informed that we'll have to pick out 15-20 senior superlatives and contribute \$1500.
